

Welcome to LinguaMeeting Experiences!

This is an opportunity for students to participate in Zoom style events, hosted by LinguaMeeting coaches, offering diverse cultural opportunities in the target language.

**Real experiences,
real people.**

Enrich your curriculum by providing students with opportunities to establish a link between communication and culture and make connections and comparisons **with global communities**.

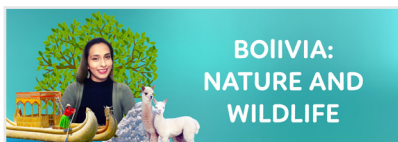

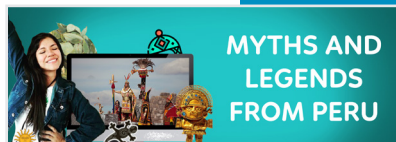

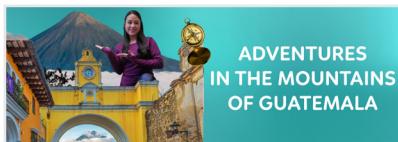

Highlighted Features

- **Authentic cultural explorations** hosted and personalized by our local LinguaMeeting coaches.
- **100% in the target language**, but adapted for first and second-year college students.
- **Interactive polling** or survey (i.e., Kahoot) throughout the experience to facilitate comprehension.
- **Interactive:** students can turn their videos on, respond with emoticons, ask questions, participate in the chat, **but are never put on the spot!**
- **Useful vocabulary list provided to facilitate listening comprehension.**

Benefits

-  Increased listening skills.
-  Broadened vocabulary and grammatical knowledge.
-  Appreciation for cultural norms and practices.
-  Authentic and relationship-based language learning.
-  Development of life-long learners **by using the language for personal enjoyment and enrichment.**

Some upcoming experiences

How it works

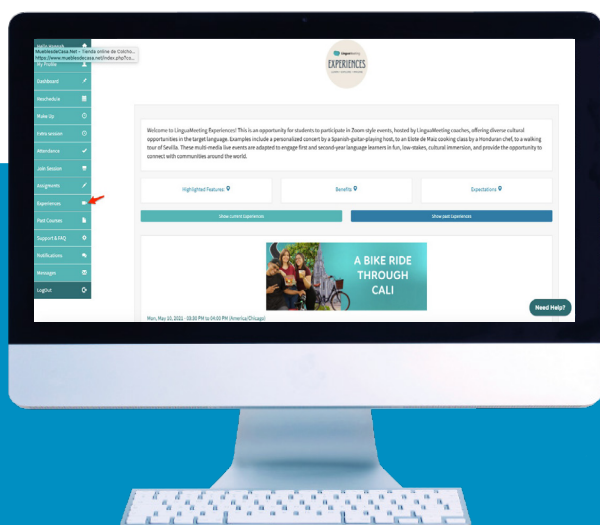

Option #1: As a required part of your course:

- Select the Experience add-on when filling out the LinguaMeeting coaching form.
- Price: \$15.00 per student. It provides unlimited access to Experiences.
- Determine the number of Experiences for course attendance. Depending on the student's interest, they are able to select their favorites.

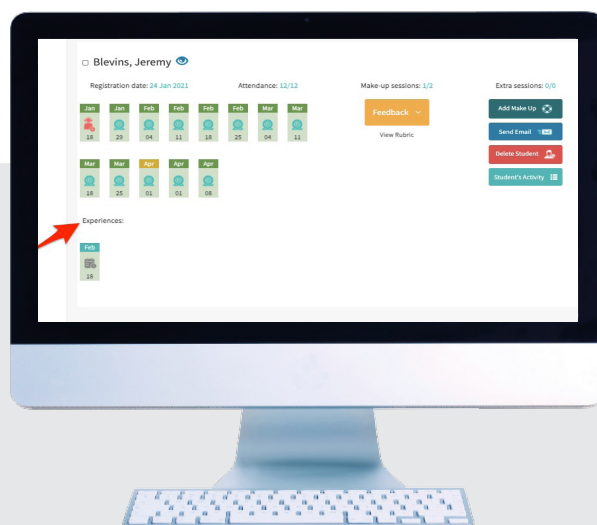

Option#2: As extra credit/Optional:

- Your students will have access through the LinguaMeeting portal to all Experiences offered during the semester.
- Depending on the experience, some will be tip-supported and others will have a cost of \$5 each.

Students

Students can view and register for the Experiences available from their portal. Participation for students can be for pleasure, extra credit or as part of their course requirement.

Faculty

Whether Experiences are optional, extra credit or part of the course requirement, Instructors can view students' participation and recordings from the Attendance section in their portal.

Testimonials

Student Testimonials

I enjoy the Experiencias En vivo. It is such a unique opportunity to learn about other cultures from their own perspective. These are things that I would never learn unless I was visiting the country!

Tessa Wittrock, University of Florida

Faculty Testimonials

I love the idea of feeling like we are walking around the city with you! it was a wonderful tour and I thoroughly enjoyed it- thank you!!

Prof. Jae Resendes, University of Tennessee
